

Introduction to St Luke's Grammar School

St Luke's Grammar School is a Pre-K – Year 12 co-educational Christian School in the Anglican tradition and it is the School's vision 'to equip students to make a difference in the world'. St Luke's seeks to promote a work environment and culture to attract and retain outstanding professionals by fostering professionalism, commitment, loyalty, Christian values and a high standard of pastoral care.

St Luke's Grammar School employs over 100 full-time and part-time teachers, supported by teachers' aides, peripatetic tutors and administrative and grounds staff.

Applicants for the following position should be able to demonstrate support for the School's Christian ethos as well as the co-curricular life of the School.

Position: Technology & Applied Studies Teacher

Load: Full Time

Commencement: Casual – Term 3, 2019 (LSL Replacement)

Reporting to: Head of TAS

St Luke's Grammar School is seeking to appoint an energetic and highly skilled TAS teacher who is experienced in teaching across Stages 4 to 6 Technology & Applied Studies. The teacher will be suitably qualified and enjoy working in a collaborative team. The successful applicant will be willing to contribute to the co-curricular life of the School and ideally be a Christian and actively involved in his/her church.

Personal Attributes:

Applicants should demonstrate a clear understanding and affinity with the ethos and philosophy of the School and will:

- Support the Christian faith of the School
- Have intellectual strength, professional integrity and a passion for education
- Be enthusiastic in the delivery of teaching programs based on the relevant NESA syllabuses
- Have a commitment to pastoral care and a knowledge of the social and emotional issues which affect young people
- Demonstrate ongoing enthusiasm, initiative and innovation
- Have the ability to communicate effectively with students, staff and parents
- Show a commitment to their own ongoing professional learning
- Demonstrate approachability and flexibility

Essential Knowledge, Skills and Experience

The successful applicant will:

- Actively develop an understanding of the **Learning@STLUKE'S** Framework and incorporate this into teaching programs and practice
- Have experience in teaching Stage 4 Technology including STEM technologies, Stage 5 Industrial Technology (Wood) and Stage 6 Design and Technology
- Have a good knowledge of their subject area and the safety requirements for the practical components of the coursework
- Be able to create a positive learning environment in the classroom, implement effective classroom management skills and promote student responsibility for learning
- Have experience in the differentiation of teaching programs and strategies in order to meet the learning needs of students
- Have experience in the effective integration of information technology in the delivery of teaching programs
- Have experience in the design and implementation of a range of formative and summative assessment strategies which include assessment of, assessment for and assessment as learning
- Have the ability to work collaboratively as a member of a team
- Use a restorative justice approach to student management
- Participate in Professional Learning Groups
- Participate in the Pastoral program of the School
- Participate in the Co-Curricular program of the School
- Undertake any other duties as requested by the Principal

Qualifications:

- Tertiary Qualification in Technology & Applied Studies and Education
