

VOLUNTEER FORM Get Involved!

ST LUKE'S
GRAMMAR SCHOOL

2020 Dee Why Campus

Your Invitation to Volunteer!

St Luke's Grammar School enjoys the healthy and active participation of our School parents and we believe it is important for parents and carers to play a part in their child's education and be a part of our School community.

We understand and appreciate that all families have different time constraints and that life is busy. However, we welcome your involvement within the School on a number of different levels.

If you would like to help, please fill in your details and **TICK** the area/s in which you would like to be involved.

Before returning this Form you will need to complete the **Working With Children Check** via www.kidsguardian.nsw.gov.au/

This Check provides 5 years approval to volunteer at St Luke's. The Check is free for volunteers.

It is School Policy and Practice that all staff and volunteers must provide a current Working With Children Check.
