2022 HSC Outcomes

81 students (55.8%) achieved one or more of the 205 Band 6 [E4]s results.

205 (32%) of all St Luke's students' results (634 examination entries) were Band 6 [E4].

106 students (73%) achieved one or more of the 288 Band 5 [E3] results.

493 (77.7%) of all St Luke's students' results were Band 5 or Band 6.

St Luke's average in all subjects except 2 were above the State average. For these 2 subjects below the State mean, the SLGS candidature was only 2 students for one subject & one student for the other. With such a small candidature, the statistics are not meaningful.
