NB. A SEPARATE FORM MUST BE FILLED OUT FOR EACH STUDENT COMPETING
13 March, 2017

Dear Parents,

The Snowsports season is fast approaching and as a result we are seeking nominations for students who wish to participate. St Luke’s has a long history of competition in the Interschools Snowsports program, with many students participating in the State and National Championships. As a school we enter teams into the Northern NSW Championships which this year will take place at Perisher from July 4 - 8.

All students who participate will need to make their own travel and accommodation arrangements to and from Sydney, students will also need their own equipment in order to participate. Mr Baker will be present at the Championships to help organise the team throughout the week, we ask that a parent/s nominate to be the liaison person while down at the championships and supply an on-snow contact number.

As the competition timetable has the different age divisions competing at the same time on different courses all across Perisher, parents are responsible for their son/daughter’s entry and supervision in all the events they participate in throughout the Championships.

Once this form is received and submitted students will need to complete other relevant paperwork and waiver as prescribed by the competition organisers.

The nature of this sport is that parent volunteers are required. All parents will be asked to volunteer for specific duties throughout the competition. All volunteers will be entitled to a discounted lift ticket for that day.

St Luke’s has developed its own Snow Sports uniform consisting of a long sleeve T Shirt for post race presentations and a waterproof Jacket for either competition and/or general wear these are available from Mr Wickham for purchase.

All interested students must return the attached nomination form by Friday 9th June in order to be able to register to participate.

If there are any further questions please feel free to contact me at school.

Kind Regards,

Mr C Baker
Director of Sport
